Instructions for action in case of damage / loss

Contact us on the hotline
2 949 949
and notify us of insured accident

Notify us in writing of insured accident within **48 hours**

To prevent destruction of the insured property and to reduce possible losses, you must take all necessary measures

After the insured accident occurs, you must not repair or relocate the damaged object (s) before the representative of the insurer inspects the insured object (unless this is caused by the need to avoid further loss or reduce it).
